Limagrain appoints Anthony CARVALHO as Chief Financial Officer of the Group

Anthony CARVALHO, 33 years old, was appointed Chief Financial Officer of the Group. He reports directly to Sébastien CHAUFFAUT and joins the Limagrain Executive Committee. Anthony CARVALHO, as Chief Financial Officer, also joins the Executive Committee of Vilmorin & Cie, the listed company that brings together all of Limagrain's seed activities.

Anthony CARVALHO brings with him significant experience in financial affairs, acquired in an investment fund then as Director of the Family Office at the Roullier Group. He also has experience in Audit and Financial Advisory, acquired at Deloitte. Before joining Limagrain, Anthony CARVALHO had been, since September 2021, Chief Financial Officer at the Roullier Group. He holds a Master's in Information Systems (Institut Mines-Telecom SudParis), supplemented by a Master's in Audit & Financial Advisory from Université Paris Dauphine and a Master's in Finance from ESSEC.

Sébastien CHAUFFAUT states: *"United in a cooperative by a collective desire to create value in their region, Limagrain's cooperative partner farmers have, over time, led the Group to become the 4th largest seed company worldwide. Our ambition is to continue Limagrain's development in all our businesses, while also ensuring that we create value in our region of origin. I am pleased to see Anthony join the Group's Executive Committee to provide his commitment and financial expertise. In this way, he will support us in growing our activities and securing the Group with a view to continue to deliver solid and sustainable financial performance."*

Limagrain is an agricultural cooperative and an international seed group owned by 1,300 farmers located in Limagne Val d'Allier (in the center of France). Present in 57 countries with more than 9,000 employees, the Group breeds, produces, and distributes field seeds, vegetable seeds, and agri-food products.

Focused on the genetic progress of plants, it is driven by its purpose: cooperating for the progress of agriculture everywhere, for everyone. As the fourth largest seed company worldwide, Limagrain, with well-known brands on their markets such as LG, Vilmorin, Hazera, Harris Moran, Jacquet, and Brossard, makes 1,984 million euros in sales, to which is added 680 million euros in sales made jointly with its strategic partners.
